

YALE CLUB HAS TAFT FOR GUEST

Secretary of War Handsomely Entertained by Former Classmates at a Banquet.

NEW YORK, March 5.—Secretary of War William H. Taft has been entertained at a dinner and reception at the Yale club here. About fifty men were there, including several members of the Secretary's class, '78. No speeches were made and at the dinner's close Judge Taft was escorted to the library, where he shook hands with several hundred fellow graduates.

Secretary Taft was compelled to make a brief speech. He referred exclusively to the Philippine islands, saying: "We are not there to treat the Filipinos as a conquered people. Many of the 7,000,000 Filipinos are Christians. Their religious ideas, however crude they may be, are essentially Christian in character and in this respect they differ from all the other yellow races."

"The natives are learning English rapidly and appreciate the value to them of their American teachers. It is a new experience for them. The Spaniards objected to their learning Spanish even."

WHY BULGARIA SIDES WITH THE JAPANESE

ST. LOUIS, March 5.—"Although the people of Bulgaria are grateful to Russia for the service of a quarter of a century ago, the general sentiment concerning the present war in the East is in favor of Japan," said P. M. Mattheeff, the Bulgarian commissioner-general to the world's fair, who has arrived here. Commissioner Mattheeff left Sofia about three weeks ago, and, having been minister to Turkey for many years, is well informed on subjects relating to the attitude of the people of the Balkans toward Russia.

"As a result of the Turkish-Russian war twenty-five years ago, Bulgaria is now an independent government," he said. "It is true that we could never have overthrown the rule of the Sultan had it not been for the support of the Czar. Still Russia's attitude toward us since that time has been such that we have to fight continually against being absorbed."

"The same feeling which causes Bulgaria to fear Russia causes them to sympathize with Japan, although the people of Bulgaria know the Czar is pursuing the same policy in the Orient that he is pursuing in the Balkans, and in any event it is evident that Russia is trying to absorb the territory of a weaker nation. Japanese victories are received exultantly in Sofia."

SHARPENED A BONE AND CUT HIS THROAT

PITTSBURG, Pa., March 5.—Isaac A. Johnson, colored, while locked in the police station at McKeesport, inflicted fatal injuries upon himself in a peculiar manner.

Johnson quarreled with his fiancée, and she swore out a warrant charging assault and battery. A bone had been given the prisoner with his evening meal. He rubbed the crude instrument of death along the cement floor until it was ground to a point with a sharp edge. He then cut his throat.

New York Sign Painters' Strike.

NEW YORK, March 5.—A general strike has been ordered here by the Sign Painters' union. There are said to be about 200 men involved. They demand a signed agreement from the employers guaranteeing \$4 a day during the ensuing year. That is the acule point, but the employers refuse to bind themselves.

A Steady Slugger

Coffee works in ways people fail to understand.

With many persons it sets up stomach disease and directly congests the liver, thus causing yellow skin, bad breath, constipation and extreme nervousness and frequently heart trouble.

One can find out exactly how much coffee has to do with bad feeling and sickness, by leaving it off entirely for 10 days. Drink Postum (well made) in its place and note the change in feeling. That's an easy way to fix the guilt on the "fellow" that is silently and in a most stealthy manner doing deadly work.

If health and the ability to "do things" are worth anything at all it certainly is worth such a test, attended by no inconvenience whatever; on the contrary, one feels better from the beginning. It may solve your problem.

CHARGES AGAINST SENATOR DIETRICH

Investigation Into Appointment of Nebraska Postmaster Will Begin March 11th.

WASHINGTON, March 5.—Senator Dietrich of Nebraska today appeared before a committee of the Senate appointed to investigate the transaction by which Jacob Fisher received the appointment as postmaster at Hastings, Neb., and the charges on which the Senator was indicted for trafficking in Federal offices.

The investigation opened with a review of the documents filed by District Attorney W. S. Summers of Nebraska, and a canvass of the list of witnesses by which Mr. Summers said he could prove his case. Many of the witnesses were for the purpose of identifying certain checks and papers alleged to figure in the case. Senator Dietrich, however, went over the list and expressed a willingness to identify the checks and papers himself and thus avoid the necessity for summoning of a large number of persons. This also will shorten the inquiry, which will begin on March 11th.

PHENOMENAL SHIPMENT OF TOBACCO.

For the first time in the history of the tobacco business a shipment has been made in one order, to one concern, of a solid train of manufactured smoking tobacco.

On March 1st, the Norfolk & Western railroad started from Durham, N. C., a train consisting of thirty cars, all loaded with "Duke's Mixture," the entire lot of tobacco being a purchase made by Messrs. Sprague, Warner & Co., wholesale grocers of Chicago, Ill.

Durham, where this tobacco is manufactured, is the famous tobacco town situated in the Golden Tobacco Belt of North Carolina. "Duke's Mixture" was named many years ago for Mr. J. B. Duke, the famous tobacco man, and its enormous growth has made it his pet, and the greatest care is exercised in its manufacture.

This shipment contains 2,550,000 single packages of tobacco, and would furnish each man, woman and child in the United States with five smokes each, or one package to each of the soldiers of the standing armies of the United States, England, France, Germany, Italy, Austria and Russia.

This train has gone direct from Durham, N. C., to Chicago, Ill., and has attracted much attention en route, and will arrive in Chicago March 9th.

BILL FIXES PRICE OF LAND TOO LOW

WASHINGTON, March 5.—Representative James Sherman, New York, chairman of the Indian Affairs committee of the House of Representatives, had a conference today with the President regarding the bill providing for the opening to settlements of 456,000 acres of land in the Roseburg reservation, South Dakota.

By the terms of the measure the land may be sold to settlers for not less than \$3 an acre, the amount of the purchase price to be paid in five annual installments, the lands not sold under the first offer to be sold at \$4 an acre.

President Roosevelt informed Mr. Sherman that he was opposed to the terms of payment fixed in the bill as it passed the House. In fact, his opposition to the price of the land as specified in the House bill is so strong that if the measure were passed by Congress in that shape he would veto it. It has been shown by excellent authorities that the land is worth an average price of at least \$5 an acre, some of it is worth as much as \$25 an acre.

ATTEMPT TO REGAIN WIFE ENDS IN TRAGEDY

WINTERSSET, Ia., March 5.—After a terrible fight in which pistols and knives were freely used John Thornborough, a young married man living near here, shot and killed Fred Peacock, and perhaps fatally wounded Peacock's father, a man of 60 years. Thornborough is terribly gashed about the neck and face, but will recover.

The fatal fight grew out of an effort on the part of Thornborough to induce his wife, from whom he is separated, to leave the Peacock home and accompany him.

BANKRUPT IN CONTEMPT OF THE FEDERAL COURT

SAN FRANCISCO, March 5.—Alexander Isaacs, formerly a merchant of Tacoma, Wash., has been arrested here by the United States Marshal on instructions from the District court provided over by Judge Hanford.

Some time ago Isaacs was adjudged a bankrupt and ordered to turn over certain assets to the trustee for the creditors. This he failed to do, it is alleged, and the Judge ordered him imprisoned for contempt of court. Meanwhile Isaacs came to San Francisco and the United States Marshal was notified to take him into custody.

RESULT OF JAPAN'S PARLIAMENTARY ELECTION

TOKIO, March 5.—The final returns of the parliamentary elections show that over 100 new members were elected. The large increase of the independent members is regarded as a favorable sign. Of late years the Diet has largely been composed of politicians and popular interest and confidence in it has decreased.

The Diet in consequence has ceased to be the great representative body the constitution proposed. Political issues have caused bickering and frequent dissolutions, making the Government party anarchy instead of a constitutional administration. The war has revived interest in national affairs, and the new Diet is regarded as an improvement on its immediate predecessors.

AGED WOMAN LEAPS FROM TRAIN TO DEATH

ELKO, Nev., March 5.—An aged woman jumped from the Atlantic express train of the Southern Pacific line about one mile west of here last night and was instantly killed. Her body rolled sixty feet from where it first struck and was badly crushed and bruised. She was about 65 years of age and had a ticket from San Buena Ventura, Cal., to Shippensburg, Pa. The name on her ticket was A. E. Woods and \$30 was found on her person.

CONGRESS TO SEE ABOUT "INFLUENCE"

House Committee Will Report Hay Resolution and a Sensational Inquiry Will Follow.

WASHINGTON, March 5.—The House Committee on Postoffice and Post Roads unanimously agreed today to report the Hay resolution calling for information relative to the use of "influence" by members of the House in behalf of the increases in salaries of postmasters, increases of clerk's hire, etc., to the House with the recommendation that they lay on the table. The resolution will be accompanied by all of the information on this subject which the committee has been able to secure. This will be printed and made public and as it meets the demands of the resolution the order "to lay on the table" will not be opposed. The report is to be made Monday.

TO BUILD LARGEST REFINERY IN WORLD

KANSAS CITY, Mo., March 5.—The Standard Oil company, it is said, is to build the largest oil refinery in the world in the Sugar Creek valley, on the Missouri, ten miles south of the business center of Kansas City, where 120 acres of land have already been purchased. Surveyors are now at work on the site and it is predicted that the plant will be running by October next. There is to be an acid plant, paraffine works, tallow works and various other facilities for the manufacture of products of crude oil. The plant will, it is said, employ 1700 men.

A pipe line that will bring oil nearly 200 miles from Needlesha, Kan., is to be built.

NO MORE CHINESE, TURKS OR SYRIANS FOR PANAMA

NEW YORK, March 5.—A bill prohibiting the further immigration of Chinese, Syrians and Turks has been passed by the National Assembly, says a Panama dispatch to the Herald. It now requires only the signature of the president and then a promulgation within three days to become a law.

It will go into effect thirty days later, after which any steamship companies or private individuals or enterprises violating the law will be fined \$500 for every additional offense. Offenders will be forced to return the prohibited persons.

WHAT A TREMBLOR DID IN PERUVIAN TOWNS

NEW YORK, March 5.—Only one person was killed, but many walls fell and much damage was done by the earthquake which occurred Friday, says a dispatch from Lima, Peru.

One of the structures seriously affected was the cathedral. Its right tower was cracked, and much damage was done to statues and works of art. Scarcely a house in the city escaped damage.

Doors and windows were opened and reshot by the tremors. Roofs were dislodged and pictures, mirrors and glassware in shops were destroyed. The balconies of a large part of the buildings in the city tumbled to the ground.

A dispatch from Chorillos says that the earthquake was more destructive there than in Lima. It cracked the walls of churches and destroyed pictures, statues and crockery.

A disaster of this kind is a serious calamity, while the doors and the iron bridge suffered seriously.

Traffic on the Central Railway was stopped by rocks falling on the track. The shock was felt everywhere in Peru.

HOW ARE YOUR KIDNEYS?

YOU OWE IT TO YOURSELF TO FIND OUT AT ONCE.

Diseased Kidneys Cause More Sickness and Serious Complications than any Other Disease.

WILLIAM M'LAUGHLIN.

take it for about a month, when I entirely recovered. I am now as well as I was before, and I have recommended it to no less than a dozen of my friends, all of whom received just as good results as I."—William McLaughlin, 1729 S. 19th St., Philadelphia, Pa.

Many such unsolicited letters are received daily from grateful men and women who have been cured by Warner's Safe Cure.

Thousands of Men and Women Have Kidney Disease and Do Not Know It Until It Has Developed Into Bladder Trouble, Rheumatism, Diabetes, or Bright's Disease, Which Will Prove Fatal If Not Attended to Immediately.

PAINT IN THE SMALL OF THE BACK, painful passing of urine, inflammation of the bladder, torpid liver, cloudy urine, rheumatic pains and swellings all over the body, eczema and jaundice tell you your kidneys are diseased and are not able to do their work properly. If you have any of these symptoms, great care should be taken to stop the progress of the disease and prevent it becoming chronic and impairing the entire system.

TEST YOUR URINE After your morning urine stands 24 hours, if you find a reddish or cloudy sediment in it, or particles floating in the urine, or if it is cloudy, you will know your kidneys are in a diseased condition and are unable to perform their work.

"SAFE CURE" CURES WEAK KIDNEYS. It purifies and strengthens the kidneys and enables them to do their work; it will cure rheumatism, rheumatic gout, diabetes, Bright's disease, uric acid poison, inflammation of the bladder and urinary organs, and restore the patient's health and vigor.

Safe Cure is purely vegetable and contains no narcotics or harmful drugs. It is free from sediment and pleasant to take. At all drug stores or direct, 50c and \$1 a bottle.

Beware of so-called kidney cures which are full of sediment and of bad odor—they are positively harmful and do not cure.

If there are any complications that you do not understand, write in confidence to our doctors for free advice and counsel. Medical booklet free. Address Warner's Safe Cure Co., Rochester, N. Y.

WARNER'S SAFE PILLS move the bowels gently and aid a speedy cure.

Health is a magnet which irresistibly draws the man to the woman in life's mating time. A great many women covet beauty and are constantly seeking means to beautify themselves. Let a woman first seek perfect health.

Cohagen then killed himself. He had been in Flynn's employ until he was discharged recently. He had been drinking.

Mr. Culver is a well-known ASSAYER of this city—formerly of Montana. He says: "I have suffered for eight years with what I called Bronchitis and Catarrh—and though I have tried many things I found no permanent relief until I went to Drs. Shores & Shores. During these eight years before consulting Dr. Shores, I suffered intensely. I hawked and spit in the mornings—if I walked fast, or became over heated, I would cough until my head ached. WEAK MEN PAY WHEN CURED

Contracted Disorders. Be sure your cure is thorough. Not one of our patients has ever had a relapse after being discharged as cured, and we cure in less than a week, and in many forms of treatment require.

Specific Blood Poison. No dangerous minerals to drive the virus to the interior, but harmless blood cleansing remedies that remove the last poison taint.

What "Weakness" Is and How We Cure It. So-called "Weakness" in men is merely a symptom of chronic inflammation in the prostate gland, brought on by early dissipation or by the improper treatment of some contracted disease. A complete and radical cure is, therefore, a question of restoring the prostate gland to its normal state, and this we accomplish promptly and completely without the use of internal remedies. Our treatment is a local one entirely. It is original and scientific, and has been proven absolutely effective by thousands of tests. We are convinced that by no other methods can full and permanent restoration of strength and vigor be accomplished.

VARICOCELE. Absolutely painless treatment that cures completely. Investigate our method. It is the only thoroughly scientific treatment for this disease being employed.

Spermatorrhea. Stricture, Piles, Skin and Kidney Diseases, Lost Manhood, Hydrocele, Organic Weakness, etc., are also among the diseases we cure to stay cured.
